Our concept „ermöglicht es Studierenden, von Beginn des Studiums an einen Praxisbezug herzustellen, sich gleichzeitig mit sozialen und fachlichen Inhalten zu beschäftigen und unterstützt dabei das Knüpfen von Kontakten, die soziale Integration und die Interdisziplinarität. Durch die Beratung in Zweier-Teams findet neben der fachlichen Vertiefung auch eine Förderung von wichtigen Schlüsselkompetenzen wie Autonomie, Verantwortung und Kooperationsfähigkeit statt. Das erlernte Wissen wird hier problemorientiert angewendet, die Interaktion mit anderen Studierenden und Mandanten fördert die Überwindung von sozialen, kulturellen und sprachlichen Barrieren. Auch die Chance, die Studienwahl durch diesen Praxisbezug zu überprüfen, ist gegeben.“ This Funding Project is about a promotion of 2000 EUR.
